2. If at the time of **damage** the declared value of the property is less than the cost of reinstatement (as defined in paragraph b) above) at the inception of the **period of insurance**, then **our** liability for the **damage** shall not exceed that proportion of the amount of the **damage** which the declared value bears to the cost of reinstatement.
3. Our liability for the reinstatement of property partly **damaged** shall not exceed the amount which would have been payable had such property been wholly destroyed.

21. Loss of market value

If

- c) **you** pay any additional premium required.

27. Reinstatement to match

Where a building has suffered **damage**, **you** may replace, repair or restore the property with equivalent property which employs current technology and replacement, repair or restoration shall not for the purposes of this policy be regarded as being better or more extensive than when new.

This policy further extends to include the replacement or modification of undamaged property insofar as it is necessary to adapt it to operate in conjunction with that property which has been replaced, repaired or restored, provided that **our** total liability is not increased beyond the amount that would otherwise have been payable for the replacement, repair or restoration of the property destroyed or **damaged** in its original form.

When the **buildings** are **damaged** or destroyed in part only, **our** liability shall not exceed the sum representing the cost which **we** could have been called upon to pay for reinstatement if such property had been wholly destroyed.

- a) i) **Your** liability for such tax arises solely as a result of the reinstatement or repair of the **buildings** to which such item relates following **damage**.
- ii) **We** have paid or agreed to pay for the **damage**.
- iii) If payment made by **us** in respect of reinstatement or repair of such **damage** is less than the actual cost of reinstatement or repair, any payment under this provision resulting from the **damage** shall be reduced in like proportion.
- iv) An allowance has been made in the sum insured for Value Added Tax where necessary, it being understood that **you** will still be entitled to indemnity if such allowance has inadvertently not been made.
- b) **Your** liability for such tax does not arise from the replacement **buildings** having greater floor area than or being better or more extensive than the destroyed or **damaged buildings**.
- c) Where an option to reinstate on another site is exercised, **we** will not pay more than the amount of tax that would have been payable had the **buildings** been rebuilt on their original site.
- d) **We** will not pay for amounts payable by **you** as penalties or interest for non-payment or late payment of tax.

For the purpose of paragraph c), rebuilding costs shall be exclusive of Value Added Tax.

Our liability may exceed the sum insured by an item or in the whole the total sum insured where such **excess** is solely in respect of Value Added Tax.

The **buildings** may be wholly or partially rebuilt upon another site and in any manner suitable to **your** requirements provided that it does not increase **our** liability.

2. Delays in rebuilding

We shall not be liable for increases in costs attributable to unreasonable delays in rebuilding or restoring or complying with any regulations or requirements of the European Union, public authority or other statutory requirements unless such delays are wholly outside **your** control.

3. Our option to rebuild

We may at **our** option rebuild or restore the **buildings** destroyed or portions **damaged** but without being bound to rebuild or restore the **property** exactly or completely and only as circumstances permit and in reasonably sufficient manner. **You** shall at **your** own expense produce and give to **us** all such plans, documents, books and information as **we** may reasonably require.

4. Condition of average (underinsurance)

The sum insured by each item of this section (other than those applying solely to fees, removal of debris or private dwelling houses) is declared to be separately subject to average.

If, at the time **damage** occurs, the total of the declared value by all **buildings** insured is less than the insurable amount then the amount otherwise payable shall be proportionately reduced.

- a) Declared value shall mean the base value shown in the certificate excluding any provision for inflation but if the loss is settled under the Inflation provision (Day 1) clause, the declared value shall be 130% of the base value.
- b) The insurable amount shall be the total of the Day one rebuilding value of all **buildings** insured.
- c) Day one rebuilding value shall mean the total cost of reinstating the **buildings** insured to a condition substantially the same as when new at the level of costs applying at the beginning of the **period of insurance** in which the **damage** occurred.

In respect of covers 5 - Storm, 6 - Flood, 7 - Escape of water or oil and 8 - Accidental escape of water from a sprinkler installation only, **damage** occurring continuously or intermittently during any period of seventy two hours shall be deemed to constitute one loss at each separate **premises** for the purpose of the application of the **excess**.

Supplementary conditions

1. Security requirements

The following security precautions apply in respect of **buildings** occupied by **you**, for which the security is the direct responsibility of **you** or **your** agents or in respect of any empty or disused **buildings** of which **we** have been notified.

- a) Any additional protection required by **us** shall be fitted in accordance with **our** requirements and, together with all other devices for the protection of the **property insured**, shall be kept in good order and put into full and effective operation whenever the **premises** are closed for **business** or are left unattended.
- b) All keys, including duplicate keys, relative to the security of a portion of the **premises** or to any safe or strong room containing **property insured** shall be removed from that portion of the **premises** whenever they are closed for **business** or left unattended.

2. Reinstatement

Subject to the following special conditions, the basis upon which the amount payable in respect of **buildings** and landlords' contents is to be calculated shall be the reinstatement of the property lost, destroyed or **damaged**.

For this purpose "reinstatement" means

- a) the rebuilding or replacement of property lost or destroyed which, provided **our** liability is not increased, may be carried out
 - i) in any manner suitable to **your** requirements; or
 - ii) upon another site; or
- b) the repair or restoration of property **damaged**

in either case to a condition equivalent to or substantially the same as but not better or more extensive than its condition when new.

Special conditions

- a) **Our** liability for the repair or restoration of property **damaged** in part only shall not exceed the amount which would have been payable had such property been wholly destroyed.
- b) No payment beyond the amount which would have been payable in the absence of this condition shall be made
 - i) unless reinstatement commences and proceeds without unreasonable delay;
 - ii) until the cost of reinstatement shall have been actually incurred; or
 - iii) if the **property insured** at the time of its **damage** shall be insured by any other insurance effected by or on **your** behalf which is not upon the same basis of reinstatement.
- c) All other terms and conditions of the policy shall apply
 - i) in respect of any claim payable under the provisions of this condition; or
 - ii) where claims are payable as if this condition had not been incorporated.
- d) If, at the time of reinstatement, the sum representing 85% of the cost which would have been incurred in reinstating the whole of the property covered by any item subject to this condition exceeds its sum insured at the commencement of any **damage**, **our** liability shall not exceed that proportion of the amount of the **damage** which said sum insured shall bear to the sum representing the total cost of reinstating the whole of such property at that time.

Paragraph d) above does not apply to **buildings** and contents indicated in the certificate and/or statement of fact to be indexed linked.
