PRIZE DRAW

BIBA competition winner receives iPad

We were delighted to welcome our **BIBA 2013 prize draw winner Peter Elliot** to our offices last week to receive a state-of-the-art **iPad mini** courtesy of **Rentguard**.

Peter is **Senior Account Executive** at **Finch Commercial Insurance Brokers Ltd** and his business card was selected at random from the scores of entrants we received at last month's exhibition.

Finch Commercial have become a valued client since joining us 12 months ago and it was great for all of our staff to finally put a face to Peter's name and to have the opportunity to discuss how we can move our partnership forward.

We look forward to seeing you all at future exhibits, where who knows, the winner could be you!

We don't shy away from 'unattractive risks'

HMO Housing

At Rentguard we try to be as **flexible** as possible to meet the **individual requirements** of both you and your customers.

That's why we are pleased to announce that we expanded our underwriting capabilities to cover more non-standard properties, including **HMO housing, bedsits** and **unoccupied properties**.

"We are aiming to become the key niche property insurers in the market, from undesirable tenant types to unusual buildings," said our **Risk Manager, Ersin Yildirim**.

Call our relations team on **0208 587 1060** for more information or to discuss how we can help meet your specific needs.

Get it by Direct Debit

Unlike some of our competitors, we still offer a **direct debit** payment facility on all of our policies, allowing customers to split their premiums over **10 monthly instalments** (subject to a 10% premium).

This allows customers to split the cost of cover over a period that is **more comfortable** for them.

For more information on the various payment methods we offer, please visit our website.

Be a good sport

We recently launched our new **'Sport' advertising campaign**. It highlights some of the many qualities associated with Rentguard through various sporting images.

In a series of four adverts - **flexibility, communication, teamwork, and unwavering support** are all illustrated, tying in with the excellent customer service and on-going client support we offer, as well as our **competitive** approach to pricing.

As part of our service we offer marketing co-branding support, using our expertise to help you boost and hone your brand identity. This includes **digital and high quality print** materials, helping you to market our products and services to your customers.

For more information on how we can assist you in this area, please contact our account manager.
